**“WE WERE DELIGHTED
with the way in which
your entire team
approached our event
and for the support
and assistance offered.”**

We have a can-do attitude with a creative approach to making your event happen.

Derby Arena has become a major player in the events industry in the East Midlands and is located just off the M1 meaning it is easily accessible for corporate dinners, trade shows and everything in-between.

After opening in 2015 the 2,900sqm of flexible, dividable event space has hosted international sports events, trade shows, conferences and awards dinners.

The onsite dedicated events team can provide you with CAD plans for your individual set up needs and will support you in the organisation of your unique event.

With on site technical, catering and box office teams we can offer you a full event package to cater for your needs.
